Acknowledgements

- The DG Murray Trust is gratefully acknowledged for funding the Pilot Breastfeeding support project and for selecting WBA as one of the community connectors in distributing the Masked Heroes PPE to CCWs
- The management and staff of Daspoort Polyclinic for their support in making their facilities available and accessible to moms in the implementation of the pilot breastfeeding support
- The management of the Tshwane District Health and Daspoort Polyclinic for providing secured storage for the Masked Heroes PPE
- The WBOT managers, store officers, and COPC team leaders of the Polyclinic, the University of Pretoria for the assistance in the handling of PPE and handing out of same to the CCWs
- The hard-working Breastfeeding team of WBA is gratefully acknowledged
